Trend/ Colour Research

What the vogue editors are wearing for New Year's Eve

Eniola Dare, associate fashion editor
my wardrobe consists mainly of black, and this can be worn indoors and outdoors. I add colour to my look, it is usually through my lipstick or accessories.

Cut out effect is seen to be a rising trend merging casual wear with eveningwear

Silver slip dress

Following on from the disco displays and #LetsParty, a liquid luxe silver sheen material becomes a key fabric for dresses and woven tops.

Free flowing metallic style for a fun and adventurous NYE

Structured corset style dress

Jessica Gerardi, shopping editor

"Whether it's a Christmas party, a birthday, an anniversary, a girls' night out or a work event, chances are you'll find me wearing an LBD."
